

Laverstock & Ford Parish Council

Incorporating Milford, Bishopdown Farm, Old Sarum & Longhedge

12th October 2021

YOUR VIEWS ON SPEED RESTRICTIONS ON MILFORD MILL ROAD

The Parish Council is reviewing a proposal to extend the 20mph speed limit on Milford Mill Road. It currently ends just before the medieval bridge on the Salisbury City side.

PROPOSALS

Three options have been discussed:

1. Leave it where it is
2. Extend it to the junction with Queen Manor Road
3. Extend it along the length of Milford Mill Road to the railway bridge. This option would increase the amount of signage. There is also no suitable location for a community speed watch or Speed Indicator Device.

COMPLETE OUR SHORT SURVEY

Please let us have your thoughts on these proposals or any other suggestions **by Sunday 17th October** by completing our short survey here
