Incorporating Milford, Bishopdown Farm, Old Sarum & Longhedge

13th September 2021

CHURCH ROAD DEVELOPMENT, LAVERSTOCK PLANNING UPDATE

We have been advised by Wiltshire Council Planning Dep that the decision on the Church Road development has been pushed back until at least the end of September. This is to allow time for them to obtain further details from consultees and the applicants to ensure that all the necessary information is available to make a decision on the proposal.

We'll keep you up to date as we hear more news.
