

REPORT 21.092

LAVERSTOCK AND FORD PARISH COUNCIL

SUBJECT: Highways Improvement Request – Deer warning signs on A345

DATE: 16th June 2021

AUTHOR: Trudi Deane, Assistant to Clerk

1. Report Summary

A report to councillors on a Highways Improvement Request Form received from a resident, requesting provision of warning signs along the A345.

2. Background

The Highways Improvement Request Form is attached at the end of this report. The form has been submitted by a resident who is concerned about the number of deer hit and killed along this road, as well as the danger to drivers.

3. Summary

If the council approves this request, the Highways Improvement Form would be submitted to Wiltshire Council to be considered at the next Community Area Transport Group. Typically, the CATG request a contribution of at least £250 from the proposing Parish Council towards the costs of such schemes.

4. Recommendations

That the council considers the submitted Highways Improvement Request Form.

Issue Details

Location of Issue:	A345 via Salisbury to Amesbury		
Community Area:	Salisbury <input type="button" value="v"/>		
Parish or Town Council:	Laverstock, Ford & Old Sarum PC, Durnford PC and Winterbourne PC		
Nature of Issue: (Max 600 characters)			
Along this road, Many deer are often hit by vehicles, which has causes many deer to die. I find it very concerning as, not only does this put the local deer population at risk, but unknowing drivers could get into a serious accident. There are no warning signs for the deer, meaning anyone who doesn't know they are there are unaware that they should me weary. This could lead to a serious accident.			
How long has it been an issue?	4 years		
What would you like done to resolve this issue? (Max 600 characters)			
I would like deer warning signs put up along this road so that drivers can be more vigilant and weary about the possibility of deer on the road.			
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	Yes <input type="button" value="v"/>
